# CHEERS TO BEING ON HOLIDAY

Planning on letting your hair down? In the 1800s, rum was highly revered as a go-to beauty product for its ability to clean hair and strengthen its roots.

## A TASTE OF WHAT'S TO COME

You're not cruising yet, but that doesn't mean you can't get a taste of what's to come.

Here's an Alchemy Bar classic to get you dreaming of the ocean breeze.

Each stop is the start of even more fun. Roam pristine beaches on horseback, swim or snorkel the crystal seas, explore local villages and cultures, or shop 'til you drop with family or your significant other. With so many incredible destinations to choose from, where will you find your fun?

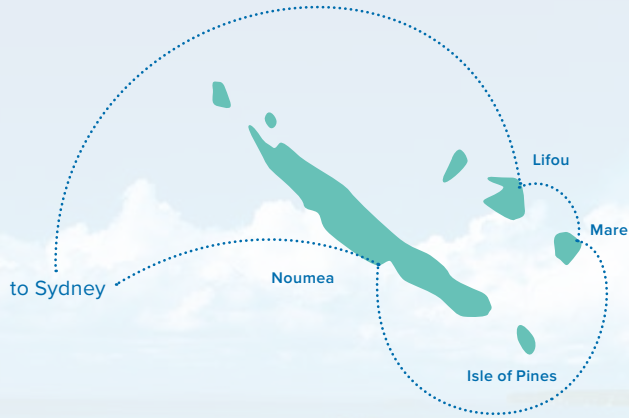

# NEW CALEDONIA

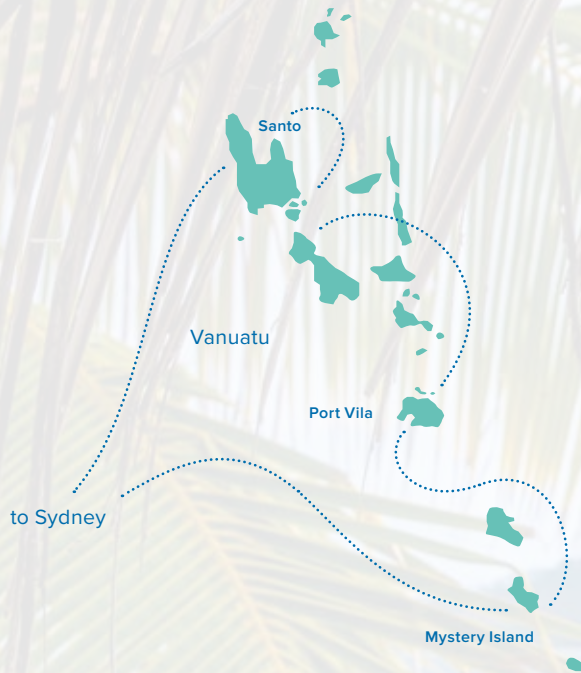

New Caledonia is a tropical playground. Long, pristine beaches are backed by cafés and bars, while the stunning turquoise waters provide an irresistible lure for snorkellers, swimmers or those who just want to relax in paradise.

There's a huge lighthouse on Amedee Island, that the French put there by mistake!

# VANUATU

If we had just two words to describe Vanuatu, they would be Wet and Wild – and not just because it's the name of the water park in Port Vila where you can go zorbing. The waters are so inviting, it won't be long before you dive in. The wild, rugged scenery of the deserted Mystery Island is simply breathtaking.

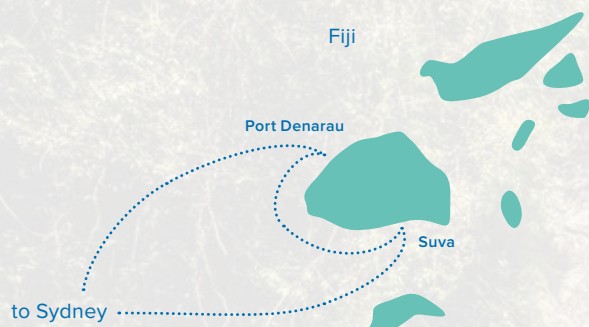

DESTINATIONS

In Vanuatu, pigs are a symbol of wealth, especially the ones with round tusks!

# FIJI

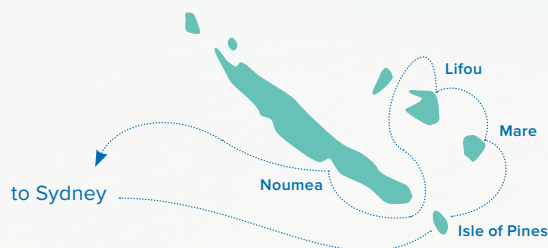

We don't know if smiling is contagious. But it's easy to think so when you visit Fiji. After cascading waterfalls and meeting a real-life Fijian warrior, bargain hunting in Suva and the friendly bula greeting you get from locals, it'll be a long time before you can wipe the smile from your face.

In Fijian villages, only the chief is meant to wear a hat and sunglasses.

## CELEBRATE AT SEA

Every day is better on a Carnival cruise and celebrations get special treatment. So you can look forward to extra fun when you sail with us.

### Australia Day

We take care of the all-day BBQ so you can kick back by the pool. There's an all-ages game of cricket, Australian-only karaoke, trivia and a toast or two to our great country.

### New Year's Eve

We're the captains of fun when it comes to New Year celebrations. So grab the party poppers and get set for a midnight you'll never forget. And don't worry, we won't hold you to any of your resolutions.

### Easter

Hop on board for Easter and enjoy some school-holiday fun with the family. We've got your chocolate cravings covered with a boat-load (get it?) of treats in store.

### Halloween

We make sure Halloween is more treat than trick. With dance parties, costume contests and candy, candy and more candy, you'll enjoy a spook-tacular time on the high seas.

### Christmas

Imagine celebrating Christmas without having to lift a finger. Enjoy a delicious feast with all the trimmings and a winter wonderland in the atrium that includes real snow. And Santa knows exactly where to find us, so no-one misses out.

### Anniversaries

If you've got a special anniversary or big birthday coming up, celebrate with a Carnival cruise. Decorate the cabin for the special occasion, book dinner for two at Nouveau Restaurant or order a bottle of bubbly to your room. Cheers.

## WEEKEND SAMPLER

For those new to Carnival, our Weekend Sampler is the perfect intro. It's a fun mini-cruise over a single weekend, ideal for celebrating key milestones such as 40th birthdays or anniversaries, or just relaxing. - Take plenty of sunscreen.
- Bring casual clothes for day wear, smart casual options for the public lounges and restaurants and don't forget something smart for cruise elegant dinners. And if Theme Nights are your thing, don't forget your festive costume or props for our 80s Rock 'n' Glow Deck Party, Mexican Fiesta and Caribbean Island Party.

## Travel insurance

The Immigration Authorities of New Caledonia have advised that guests who do not hold international travel insurance that covers medical costs, repatriation and other expenses may be refused entry into New Caledonia. We strongly recommend that you purchase appropriate

international travel insurance for your Carnival Cruise. If you do not purchase travel insurance, you may not be able to recover cancellation charges, medical costs, repatriation and other expenses that may arise if things do not go according to plan. Carnival Cruise Line has a dedicated white label page for customers to purchase travel insurance online through Cover-More Travel Insurance:

<https://secure.covermore.com.au/carnival/>. If you would like to find out more in regard to whether you should get travel insurance, please visit the Smart Traveller website: <http://smartraveller.gov.au>. Please note that Australian Medicare, New Zealand ACC and private health insurance won't cover you for onboard medical costs.

## Smoking

Smoking on the ship is prohibited in most areas and only allowed in the designated exterior open deck areas. Guests are not allowed to smoke in the stateroom or outside on their balcony.

## Minimum age to travel

We welcome children 12 months and over to cruise with us for international departures sailing to/from Australia, and children 6 months and over for domestic cruises. We are unable to accommodate infants under 12 months (international cruises) and 6 months (domestic cruises) due to limited neo-natal facilities on board and at ports of call.

## Strict prohibitions for all shipboard whirlpools and water sports

- Diving or jumping into the whirlpools is strictly prohibited. Whirlpools are too shallow for safe diving.
- Children must be accompanied by an adult at all times while using or within the vicinity of the whirlpools.
- Children who are not toilet trained (and those in diapers or swim nappies) are not allowed in any of the water facilities on board.
- Toilet trained children should be taken on frequent bathroom breaks.
- Immunocompromised passengers should not use the whirlpools.
- Glass containers must not be taken into the whirlpools.
- Eating while in the whirlpools is strictly prohibited.
- Smoking on the ship is prohibited in most areas and only allowed in the designated exterior open deck areas.
- No horseplay while using or in the vicinity of the whirlpools.
- Please act responsibly at all times.

## Cruise itineraries are not guaranteed

Many factors affect our ability to provide any particular itinerary. These include weather, mechanical difficulties, civil unrest or other unforeseen circumstances. We agree to use reasonable endeavours to provide a cruise in accordance with our published schedules and itineraries. However, we do not guarantee itineraries and they do not form part of your contract with us.

## Travel restrictions and rights of the Captain

You are responsible for ensuring that no travel restrictions apply to you. If police or any other authority in any jurisdiction notify us of, or we otherwise become aware of any matter that reasonably causes us to believe your presence on board presents a risk to your own health or safety or the health and safety of other guests and crew, we, or the Captain may deny you boarding and may refuse or cancel any bookings from you. A full refund will be provided to any guest denied boarding on this basis. Once the cruise has commenced, if a guest seriously affects the safety, well-being or enjoyment of themselves or any other person on board, the Captain has the right to confine, sedate or disembark the guest. In such cases, we will not provide a refund and we are not responsible for any expenses including your return home. While the Captain will always act reasonably in these circumstances, you accept that the safety, well-being and enjoyment of everyone on board comes first.

## Your Cruise Ticket Contract

Your booking and travel on your Carnival cruise is subject to Carnival's Cruise Ticket Contract. You will find the Terms and Conditions of the cruise contract at [www.carnival.com.au/legal/cruise-ticket-contract](http://www.carnival.com.au/legal/cruise-ticket-contract) or by calling 13 31 94 from Australia or 0800 442 095 from New Zealand, to request a copy.
