DECK PLANS & ACCOMMODATIONS GUIDE

UPDATED MARCH 2022

March 2022

Dear Travel Partner,

Norwegian Cruise Line is excited to share our NEW Deck Plans & Accommodations Guide with you! This is your one-stop source for ship-specific deck plans, as well as category descriptions, schematics and images of our wide range of accommodation options.

The following have been updated since our last printed version:

- Details about our newest and most innovative ships, Norwegian Prima and Norwegian Viva — designed to elevate every experience on board.
- Starbucks® is now available on nine ships, so guests can kick-start their day with their favorite handcrafted beverages.
- Several ships have been refurbished through The Norwegian Edge® revitalization program, so deck plans have been updated to reflect those changes.

Providing convenient sales tools to help grow your business is one of the many ways in which we are committed to putting our partners first. We hope that you will use this guide as a convenient reference tool when assisting your clients with choosing their ideal home away from home — a place to relax and recharge after another incredible day at sea.

Sincerely,
Norwegian Cruise Line
