*We had the best time of our lives travelling aboard Seven Seas Explorer! Everyone was beyond their best in efforts to assist and help us. The accommodation was absolutely wonderful. Our butler, Pratish, was outstanding in service, care and went beyond the realm of concern. Everyone we came in contact with was awesome. So happy and wonderful! We even booked our next voyage while on board and can't wait until that day arrives.*

A single bite can evoke a place, a moment,  
a memory. Regent's culinary experiences  
connect you to the world through flavour,  
in authentic, artful and unforgettable ways.

## EVERY MOMENT IS SERVED WITH ELEGANCE

The shape and design of the dinnerware. The exceptional table linens from the storied brand Rivolta Carmignani. Every detail sets the stage as you step into this evening's dining experience. The maitre d' directs the servers, who play their roles to perfection, in step with the rhythm of your requests and the mastery of the chef's preparation. Your sommelier skilfully guides you toward the ideal pairing for your meal. The finale before the curtain closes? Perhaps an after-dinner digestif or indulgent dessert? As with all the rest, the choice is yours.

Our onboard culinary experiences go well beyond the inclusion of our incredible speciality restaurants. Special wine and spirit tastings, deck-top regional barbecues and enriching cooking classes are just a few of the other ingredients that come together to create culinary encounters that are discernibly unrivalled.

Converse with, learn from and observe the local community as they work to conserve and sustain the surrounding environment on our unique Eco-Connect Tours.

### BEHIND-THE-DESIGN TOURS

Glimpse behind the scenes of some of the most captivating and brilliant designs around the world. Learn from an art historian about the undulating design of the Oodi Central Library and see its beautiful contrast to the strong lines and terraced main hall of the Helsinki Music Centre, or edify yourself with insights into three of Rome's more modern attractions: La Nuvola, MAXXI and Auditorium Parco della Musica. Witness superb architectural feats and more, gaining special insights from knowledgeable guides about the inspiration, reasoning and genius that brought these marvels to life on a Behind-the-Design Tour.

### SERENE SPA & WELLNESS® TOURS

Enjoy a revitalising shoreside experience with a Serene Spa & Wellness Tour. Centre yourself surrounded by the verdant beauty of the Samford Valley as you engage in a holistic yoga, meditation and chanting session at Zen Space in Australia. Or, experience the organic crops and flavours of Corfu after being guided through mindful meditation and specific yoga poses to help revitalise your being. ## PEACEFUL TEMPLES

### BALI, INDONESIA

There are few places more magical than Bali. Among the many places you will discover is Batuan — one of the oldest temples on the island. This nearly 1,000-year-old temple was designed with Balinese ornaments, and the roof was made from the fibre of the black palm tree. Inside, the walls are adorned with carvings that reflect Hindu stories. Before you enter the temple, though, you will be dressed in a traditional kraman as a show of respect to the Hindu deities.

## CHASING WATERFALLS

### POINTE-À-PITRE, GUADELOUPE

Witness the gorgeous cascades of Carbet Waterfalls in Guadeloupe National Park. It is the perfect reward for your hike on a winding path through the forest. Be sure to bring your camera to capture the sight of the towering middle falls as they thunder through the jungle. The falls have long been admired. Indigenous Caribs referred to Guadeloupe as 'Karuera', meaning 'Island of Beautiful Waters'. If you prefer an easier walk to a waterfall, there's La Cascade aux Écrevisses (Crayfish Falls), where you can bathe under the rushing, crystalline water.

## FOLLOW THE KNIGHTS

### VALLETTA, MALTA

Sailing into Valletta, you are transported back to the era of the Knights of St. John, who planned this city as a refuge for those injured during the 16th-century crusades. At every turn you can feel the presence of the order that ruled Malta for 200 years. Valletta's 320 monuments make it one of the most concentrated historic areas in the world and the reason it was deemed a UNESCO World Heritage site. Start with St. John's Co-Cathedral, the Grandmaster's Palace, Fort St. Elmo, the Sacred Infirmary and Upper Barrakka Gardens. Then head to Valletta's centrepiece, the 19th-century Mosta Dome.

## BLACK SANDS, WHITE WINE

### SANTORINI, GREECE

With dramatic views of classic whitewashed houses clinging perilously to the side of the caldera and stunning beaches of white and red sand or black pebbles, it's no wonder this may be the most photographed scenery in the world. Visit ancient Akrotiri, the archeological site of a town frozen in time by ash from an eruption 3,600 years ago. Also worth your time is an outing to Kamari Beach. One of the Mediterranean's finest beaches, its famous black sand contrasts with the deep blue water. Whether you take a dip in the warm waters or sip a refreshing glass of white wine at a charming oceanfront café, this is your bliss.

## NORSE LEGACIES & ICEBERG ALE

### NARSAQ, GREENLAND

Erik the Red, the Norse explorer known for discovering and colonising Greenland, was so overwhelmed by this region's lush, emerald-lawned valleys that he christened the country 'Greenland' more than 1,000 years ago. Amidst the fjords, glaciers, islands and winding coastlines that make up South Greenland, Narsaq's tranquil landscape of colourful houses is surrounded by sheep farms and fertile fields. Learn about Norse settlement history at the Narsaq Museum, which also displays locally found rocks and minerals for which the region is known. Hike the mountain that rises directly behind Narsaq – Qaqqarsuaq – before rewarding yourself with a beer made from ancient iceberg water at a small Greenlandic brewhouse called Qajaq.

Described as Nordic Versailles, the castle features incredible grandeur both inside and out. Hundreds of years of history are preserved in its interiors and the symmetrical castle garden was designed to give you an amazing perspective on the landscape.

Or rise with the sun in the radiant Skyview Sola Suite. The three Skyview suites — Aura, Luna and Sola — are three distinct expressions of the same exclusive category — each with its own layout, character and connection. ## REGENT SUITE

If you've ever dreamed of staying in a floating palace, the Regent Suite is exactly that. Spanning an extraordinary 473 m<sup>2</sup> (5,089 square feet), this opulent retreat offers breathtaking panoramic ocean views, a wraparound balcony and a skylit, glass-enclosed parlour. Designed by world-renowned Studio DADO, every element — from bespoke furniture to hand-selected artwork — evokes the elegance of an international collector's home.

### A VIEW FROM THE TOP

The opulence begins at the entrance, where Italian marble sets the tone for what awaits inside. A striking bronze sculpture of golden flames captures the eye, and beyond it, an unobstructed 270-degree view of the horizon. Enjoy these stunning vistas either on deck in your Tresse Minipool, or in the glass-enclosed parlour, offering serene skylight relaxation.

### SAIL AWAY IN STYLE

After a perfect day ashore, your butler arranges refreshing beverages and delicious small plates as you settle into your Regent Suite. From the sanctuary of your private balcony, watch the ship sail gracefully away from breathtaking Caribbean islands. Golden sunsets, gentle waves and indulgent services blend into an unforgettable moment of tropical bliss.
