## Sustainability at Cunard

Taking steps to look after the world we love

At Cunard, and with our parent company Carnival Corporation & plc, we're taking action to reduce our impact on the environment and invest in our communities and people to deliver positive change – not just for today, but for the long term. Our sustainability agenda aligns with elements of the United Nations Sustainable Development Goals and is built around six key focus areas.

## Focused on the environment

### Climate action

We support the adaptation of alternative fuels and are testing new technologies as they become available. We are investing in new low-carbon or zero-carbon emission technologies, developing and installing advanced air-quality systems, and partnering with organizations and stakeholders to support our decarbonization efforts.

### Circular economy

As the world shifts towards a circular economy model where materials flow around a “closed loop” system, we are shifting how we work with our supply chain partners to reduce waste.

## Partnering with our destinations and communities

### More sustainable tourism

As we travel the world, we have the privilege to explore many cultures and environments. It is our collective responsibility to respect and help them maintain their culture, history, and natural resources.

### Biodiversity and conservation

Our efforts are focused on taking responsibility to minimize our impact by implementing best practices across our operations, building partnerships with experts, and investing in programs to support biodiversity and conservation.

## Investing in people

### Good health and well-being

Our employees are at the heart of our operation, and we’ve built well-being programs to support their physical and mental health, encourage social connectivity with family and friends, and promote a balanced lifestyle.

### Diversity, equity, and inclusion

Our success depends on the diversity, talent, and dedication of our global employee base. We strive to provide an inclusive and supportive work environment with equal opportunities for professional growth throughout their career path.

## Japan and Alaska, by Cunard

From high rises in Tokyo to totem poles in Ketchikan, find yourself gazing up in wonder again and again in these unique regions.

Join Queen Elizabeth in Japan in 2025, and create your own stories in places like Yokohama, gateway to the neon-lit alleyways and peaceful gardens of Tokyo. Take endless photos of Kochi's ornate castle or perhaps get to know Busan's friendly locals in South Korea. This enigmatic part of the world has long captivated the hearts and minds of those who visit.

Meanwhile, in Alaska, delight in the perfect blend of onshore exploration coupled with scenic cruising through some of the largest tidewater ice fields. Explore frontier-style towns sprung from the Klondike gold rush, glassy fjords, such as Endicott Arm, and Glacier Bay National Park. On board, naturalists narrate the scenery. You're invited to embrace the sparkle at the Ice White Ball. It's all part of what makes sailing in Alaska with Cunard so special.

## Northern Europe and British Isles, by Cunard

Fascinating contrasts and pristine scenery are just two of the ingredients that make a voyage to Europe's northernmost nations magical.

In Norway, a place where nature pulls out all the stops, mirror-like fjords pave the way for all kinds of adventures. Or perhaps your sights are set on Iceland, where natural wonders like gushing waterfalls, geysers, and the turquoise waters of the Blue Lagoon await.

You could explore fairytale-like architecture in cities such as Copenhagen, Stockholm, and Tallinn with its UNESCO-inscribed old town – perhaps finding time for the odd pastry as you do. A British Isles voyage takes in the Highlands of Scotland and emerald shores of Ireland, as well as Cunard's spiritual home of Liverpool. Why not join us to discover all that makes this tiny nation so special?

Discover these storied stretches of land and sea for yourself and, as you sail, revel in everything that comes with life on a Cunard Queen. From Michelin-starred chef residencies and White Star Service to a Mareel spa staffed with London Wellness Academy-trained experts, each day brings the potential for something extraordinary.

Madeira, Portugal

## Iberia, Atlantic Coast, and Canary Islands, by Cunard

Rich artistry in Spain. Bustling souks in Morocco. Pastel palaces in Portugal. Our Atlantic Coast voyages are a treat for all the senses.

Step into endless sunshine as you discover unspoiled beaches, UNESCO-listed treasures, and world-famous cuisine. From the azure coves of Southern Europe to the medieval alleyways of Africa, remarkable sights and delights await.

Explore volcanic landscapes and black-sand beaches in the Canary Islands. Indulge in botanical gardens and toboggan rides in Madeira. Immerse yourself in UNESCO-listed architecture and port cellars in Portugal.

Morocco brings minaret-topped buildings in Casablanca and whitewashed medinas in Tangier, while Agadir offers a gateway to Marrakech with its fragrant spice stalls and maze-like alleys. Just offshore of Africa, the Cape Verde island of Saint Vincent seduces with its white-sand beaches and lively cafés, where music drifts out of every door.

Flamenco shows and smoky tapas. Grand mosques and stately squares. Soak up the history of this storied region, with plenty of onboard relaxation and amber sunsets to bask in on deck.

Saguenay, QC, Canada

## Canada and New England, by Cunard

From the sophistication of New York to the old-world charm of Québec, some of North America's greatest treasures await discovery on our unforgettable Canada and New England voyages.

An overnight call in New York means spending days exploring Manhattan's iconic neighborhoods, art galleries, and world-class boutiques. Then you can witness the bright lights of Times Square as darkness falls.

Further north, discover Boston's pivotal role in the American Revolution along the famous Freedom Trail. Overnight stays in Harvard's storied hometown provide the opportunity to sample the nighttime delights too.

Explore more of New England and discover a taste of coastal life in picturesque Newport, renowned for its Gilded Age mansions and yachting heritage. Cross into Canada's beautiful Atlantic provinces like Nova Scotia to uncover the vast, untamed wildernesses that surround Halifax and Sydney.

As you venture further, come face to face with Québec's only fjord, the jaw-dropping Saguenay Fjord. This natural wonder offers bountiful whale watching from the decks of your Cunard Queen as you sail past quaint riverside hamlets. Nearby Sept-Îles stuns with its rugged scenery and rich native Innu traditions.

Of course, a highlight of any Canadian voyage is a call in historic Québec City, where the magical UNESCO site feels like stepping back in time. With ample luxuries on board to revel in, indulge your senses as you uncover North America's diverse landscapes, culture, and history.

## Mediterranean, by Cunard

Lively tapas bars in Barcelona. Bustling bazaars in Istanbul. A Mediterranean voyage unlocks the door to so many memorable experiences.

Home to some of the world's oldest cities, the Mediterranean is a fascinating region to explore. A blend of golden sands and azure waters, where life moves at its own unhurried pace and humble ingredients are imbued with flavor. Join one of our Mediterranean sailings from London or begin your voyage in Istanbul, Trieste, Civitavecchia, Piraeus, or Barcelona.

Salerno, just south of Naples, is the perfect place to savor a taste of "La Dolce Vita." You'll find opportunities to step ashore here with Queen Victoria in 2026. Or perhaps you'd prefer Kotor, Montenegro's charmingly historic capital, where winding streets and Romanesque churches seem to fan out in every direction.

The Pearl of the Adriatic, Dubrovnik, introduces vistas peppered with terracotta rooftops. Valetta's Barrakka Gardens give way to the noon canon firing in Malta. And Greece's magical islands never fail to enchant with their winding cliff-top walks and flower-adorned buildings.

## What to pack

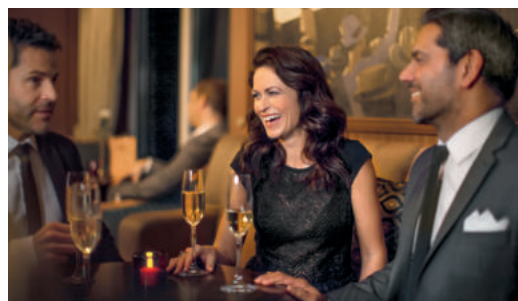

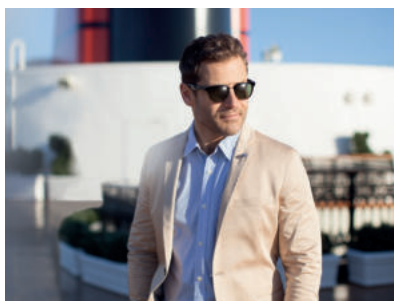

Wondering what to pack for your voyage? We have put together a guide to assist you in deciding what to wear for each occasion on your vacation. We hope our style guide will both help and inspire you in choosing your cruise wardrobe.

One of the real pleasures of our ships is the balance between being relaxed and free to dress as you please during the day and the chance to sparkle in the evenings, whether dressing for dinner or the extra glamour of Gala Evenings.

During the day, feel free to relax and dress as you please in all areas of the ship. Then, as the sun goes down, the style goes up. Every night on board, we ask that you wear smart attire in most of our bars, restaurants, and entertainment venues.

On our much-loved Gala Evenings, which are the highlight of the voyage for many, we invite you to dress to impress as the celebratory atmosphere and sense of occasion is heightened across the ship. There are two or three of these special Gala Evenings for every seven days of your voyage. Of course, if you prefer to spend your evenings in more relaxed attire, a selection of casual dining and entertainment venues are always available for your enjoyment.

# Let's Travel. Let's Explore. Let's Go Cruising.

## Frequently asked questions

A Cunard cruise promises wonderful moments and a lifetime of memories. To ensure the most superb vacation possible, you will want to be sure you are well prepared before you depart. Here are answers to some of the questions you may have about a Cunard cruise. For more details on any of these questions, please visit [Cunard.com](http://Cunard.com), contact your Travel Advisor, or call Cunard at (800) 728-6273.

### What is included in my fare?

All fares include accommodations as booked, onboard meals,\* and entertainment. Fares are per person based on double occupancy and are cruise only, excluding air and transfers. Cruise Fares are inclusive of government-imposed taxes and fees. Fares do not include Hotel and Dining Service Charges; CunardCare® travel protection; or incidental charges such as laundry, bar expenses, spa and salon treatments, shore excursions, etc.

### Can guests with disabilities travel?

All guests requiring specific assistance, facilities, or equipment on board, or wishing to bring such equipment on board, must advise Cunard at the time of booking and will be asked to complete a questionnaire after booking to ensure we have all the information we need to cater adequately for your requirements.

If you need to bring a wheelchair or mobility scooter on board with you, it is essential that you let us know at the time of booking or as soon as the need is known. Any guests requiring the use of a wheelchair, mobility scooter, or other aids to mobility must provide their own. For the safety of everyone on board and the ship, all wheelchairs, scooters, and other aids to mobility, as is the case with all other guest possessions, must be stored inside your stateroom when not in use. Failure to comply with this important safety rule may mean you will be disembarked and refused future travel. A part-time wheelchair user traveling in a non-wheelchair accessible stateroom must bring a collapsible wheelchair to ensure it can safely fit through the stateroom door and be accommodated in the stateroom. It is not possible to make structural changes to the stateroom layout. Cunard reserves the right to require guests who have booked a wheelchair-accessible stateroom without legitimate reason to move, at their own expense, if necessary.

Mobility scooters will only be permitted on board if guests have booked into a wheelchair-accessible stateroom or a suite, as these are the only types of accommodation where mobility scooters can safely be stored. The minimum door width of suites is 53 cm (21 in). The minimum door width of the wheelchair-accessible staterooms is 80 cm (31 in). At the time of booking, please let us know if you intend on bringing a mobility scooter with you, and we will in turn provide you with a questionnaire for completion to ensure that the accommodation you have booked is appropriate. Please note that our wheelchair-accessible staterooms are strictly

reserved for guests who are bringing wheelchairs or mobility scooters or who have a requirement for the adapted facilities offered by these staterooms.

A ship is not always the easiest environment for using a wheelchair or mobility scooter. Although our crew is helpful, they are only able to provide limited assistance to help you in moving around the ship. For this reason, and in order to ensure the safety of the guests, the ship, and all others on board, we recommend that guests with disabilities who require personal assistance in the activities of daily living, including pushing a wheelchair or being given communication support, be accompanied by personal assistants/traveling companions to provide these services. Blind/visually-impaired guests are recommended to travel with companions who can help them get their bearings and assist them both on board and ashore.

Our crew can provide limited assistance and information or directions, but we cannot provide sustained or long-term assistance. Please note that, due to applicable safety requirements, the design of the ship, or port infrastructure and equipment in certain ports of call, it may not be possible for us to offer a shore excursion program or shuttle bus service suitable for guests who are not able to board a coach via the steps with only the aid of their traveling companion.

Cunard reserves the right to refuse passage to any guest who has failed to notify us of their requirement for special treatment or assistance (including the requirement to use a wheelchair or mobility scooter). For further information about traveling with disabilities, please contact our specialist Care Access Team at (800) 728-6273 (Monday-Friday 8 am - 5 pm PT) or contact us by email at [accessoffice@cunard.com](mailto:accessoffice@cunard.com).

### Do you hold emergency drills on board?

All guests boarding our ships will be shown a safety video outlining the emergency procedures and important safety information. It is important all guests watch the safety briefing on TV in full. Our stateroom stewards will be available to demonstrate the safety features in your stateroom and answer any questions. After watching the safety briefing on TV, all guests must attend their assigned Assembly Station and record their attendance before departure. Full safety information is displayed on the inside of your stateroom and Essential Information booklet.

\*Excludes certain specialty areas of Kings Court and Lido in the evening and Steakhouse at The Verandah where surcharges apply.

For full details, please visit [Cunard.com/FAQs](http://Cunard.com/FAQs)

See "Our fares" on page 37 for an indication of benefits.

## General information

### Responsibility

Transportation of guests and baggage on Cunard is governed by the Cunard Passage Contract, a copy of which will be included with your preliminary documents and which is also available upon request. The Passage Contract represents the entire agreement between Cunard and the guest. It is important that you carefully read the entire Passage Contract as it sets out the rights and responsibilities of Cunard and the guest.

Cunard shall have the right to cancel or alter in any way any scheduled sailing or itinerary which, in its sole judgment and discretion, is justified for any reason and to do so without liability for damage or for any loss to guests. Cunard also reserves the right, in the event of a full-ship charter or for any other reason, to cancel reservations and bookings whether or not a deposit or full payment has been received. In such an event, Cunard's only liability will be to refund to guests the amount it has received.

The guest is responsible for arriving at the respective ports on time for embarkation and for joining the vessel at its next port of call if, for any reason, a scheduled sailing is missed. Cunard reserves the right to refuse or discontinue passage to anyone when, in Cunard's sole judgment, it would be considered a risk to the guest's own safety, well-being, and health or a risk to the safety, well-being, comfort, and enjoyment of any other guest or crewmember.

### Deposits

A 25% deposit is required for all guests (including third and fourth berths) within three days of reservation or sooner, as specified by Cunard for voyages less than 31 nights. For voyages 31 nights or longer, a 20% deposit is required within three days of reservation or sooner, as specified by Cunard. Staterooms are subject to cancellation if required deposit amount is not received within the specified option period.

### Balance of payment

Full payment for all cruises shorter than 31 nights must be received by Cunard no later than 120 days prior to sailing. All reservations are subject to cancellation if payments are not received by the due date and are guaranteed only when paid in full at 120 days prior to sailing. Final payment is due at 150 days prior to sailing on all voyages 31 nights or longer. Reservations made between 120 and 31 days prior to sailing require full payment within 24 hours of booking for voyages less than 31 nights. ### Refunds

All refund requests pertaining to cruise, land, and air are subject to final review by Cunard. Partial use of cruise, airfare, hotel, and land extension does not qualify a guest for a refund.

### Onboard Credit

If you are due to receive Onboard Credit, this will be applied to your account on the first night of your cruise. Onboard Credit cannot be used for any of the following: cash back, casino/gambling charges, foreign exchange, any medical services/prescriptions, charities, or for payment of International Visas. This also applies to any gift credits that may be applied to your account. Onboard credit may be used on a single cruise only, is not redeemable for cash and expires at the end of that cruise.

### CunardCare

We recommend that all guests purchase some form of travel protection that includes cancellation and interruption coverages as well as medical expenses and emergency evacuation benefits. For your convenience, we offer CunardCare, a package of benefits comprised of the CunardCare Cancellation Fee Waiver<sup>1</sup>, CunardCare Travel Insurance<sup>2</sup>, and CunardCare Worldwide Emergency Assistance<sup>3</sup> designed for our most valued guests.

### Baggage and valuables

Though we take reasonable care in the handling of baggage, Cunard's responsibility for lost, damaged, or misplaced baggage and other personal property is limited by the Passage Contract. Cunard is not responsible for camera equipment, laptops, cash, or other similarly fragile and valuable items contained in

checked or unchecked baggage. These items, as well as medications and prescriptions in their original packaging, should be carried on and off the ships by the guests themselves. Safe-deposit boxes or in-room safes are available free of charge on board. For your safety, all guests and all baggage must pass a security checkpoint.

### Children traveling with an adult

Children under 18 years of age must be accompanied by an adult. Please confirm minimum age restrictions at the time of booking.

### Pregnancy Policy

Reservations will not be accepted for women who will be 24 or more weeks pregnant at the time their cruise with Cunard concludes.

### Embarkation/disembarkation

The ship generally will be available for embarkation four hours before the scheduled sailing time. Due to limited facilities, guests should not arrive earlier than the embarkation time noted on final documents. On disembarkation day, staterooms must be vacated at the time advised by the Hotel Manager. Once customs and immigration clearance has been completed, guests making their own air arrangements should allow three to four hours for transfer time to the airport. Cunard offers optional transfers and hospitality services to the port on embarkation day. Group transfers and service use motor coaches or minibuses; private transfers use luxury sedans for one to three guests or luxury club vans for four to eight guests. Where available, hospitality services provide you with transfers from your incoming flight to a deluxe hotel, at which point your luggage is transported from the hotel directly to the ship. You are free to relax and enjoy the comforts of a Cunard hospitality room and use the hotel as a base from which to explore. Contact your Travel Advisor or call Cunard at (800) 728-6273 for more information.

### Guests with disabilities/special diets

Guests with disabilities are welcome aboard Cunard vessels. Due to the configuration of our ships, however, wheelchair users and individuals with sight impairments may experience some difficulties in accessing certain areas. Where any individual would be unable to be safely and comfortably accommodated, we suggest that the guest be accompanied by a companion. Some ports of call require tenders to go ashore and may preclude guests using a wheelchair from leaving the vessel; this decision must be made by the ship's Captain and is binding. Upon notification by a guest with a disability, Cunard Reservations will provide stateroom and bathroom doorway widths and other pertinent access limitations on board the vessels. Guests must advise Cunard of their on board needs no later than 14 days prior to departure or they could be denied boarding.

Guests with collapsible wheelchairs and/or mobility scooters (less than 65cm in width, Less than 100cm in length, folds to no less than 50cm with no removable parts, no more than 5kgs in weight), will be able to book any cabin, rather than selected mobility cabins or suites. Please note this is subject to availability. Please refer to the specified dimensions detailed in "Your on-board needs" guide. All guests using a mobility scooter full- or part-time, will be allocated an Evac chair in the event of an emergency. If a full-time wheelchair user, they will still require an accessible stateroom.

Cunard is pleased to permit individuals to bring service animals on board. In order to make appropriate arrangements, notice that a guest will be traveling with an animal must be provided at the time of booking. Local laws or customs may prevent animals from disembarking at particular ports and countries. It is the guest's obligation to obtain all documents/health certificates that may be required. Consult local customs authorities for information and requirements.

Guests with conditions requiring ongoing medical assistance may be asked to have their physician provide a confidential certification form to ensure that they may travel safely. If guests have special dietary needs, Cunard must be advised at time of booking or, at the latest, six weeks before sailing. Every effort will be made to comply with such requests.

The onboard needs questionnaire is available on MyCunard.

#### Government-imposed taxes and fees

Government-imposed taxes and fees include but are not limited to any and all fees, tolls and taxes imposed by a governmental authority such as wharfage, head taxes, dockage, Panama Canal tolls, US Customs fees, immigration and naturalization fees, government inspection fees, hotel or VAT taxes as part of a land tour, air taxes, and similar government-imposed taxes and fees for the performance of the cruise. Government-imposed taxes and fees are subject to change and Cunard reserves the right to collect any increases in effect at the time of sailing even if the fare has already been paid in full.

#### Cunard CompleteAir Program, booking procedures, identification and refunds

Guests purchasing flights under the Cunard CompleteAir Program may select either Flexible or Restricted fares that offer differing levels of flexibility. Guests booked on Restricted fares are required to pay for their flights in full at the time of booking. Guests booked on Flexible fares must pay for their flights in full no later than Final Payment due date, as indicated by the Cunard reservations system. Guest agrees to contact airline(s) directly to reconfirm flights, to specify any special travel needs, and to obtain seat assignments. Guest is responsible for verifying that the spelling of names shown on the Flight Information notice matches the identification presented at airport check-in (i.e. Passport).

Guests purchasing flights under the Cunard CompleteAir Program may choose their flight and seat at the time of booking. Guests will be able to choose from a selection of flights under either the Flexible or Restricted program.

#### Cunard CompleteAir Same Day Late Arrival Protection

Guests who book air travel through Cunard will be automatically enrolled in the Cunard Same Day Late Arrival Protection program. If guests miss or will miss their original port of embarkation due to same day airline delay or an airline service disruption, such as flight cancellation or flight re-routes, Cunard will work with the airlines to find a reasonable alternative to provide flights to the next appropriate port at no additional air cost to the guest. Please note, this applies to all cruises except Transatlantic Crossings.

#### Services provided by independent contractors

All shoreside tours and services described in this brochure, including air, hotels, transfers, and shore excursions, are provided by independent contractors. Cunard acts solely as the ticketing agent for all shoreside activities. Cunard shall have no obligation or liability of any kind to guests for acts or omissions in connection with or arising out of arrangements with independent contractors, including but not limited to airline carriers, ground/tour operators, hotels, and onboard physicians since they are neither agents for nor employees of Cunard.

#### International travel documents and health information

It is the guest's obligation to obtain and carry with them a valid passport, visas, parental authorizations if required, as well as public health documents for all applicable ports of call and overland tour destinations. Your passport must be valid for a minimum of six months past the last day of your trip. Check with your Travel Advisor for advice on such requirements. For non-U.S. citizens or non-U.S. legal residents disembarking in a U.S. port, the U.S. Department of Homeland Security requires you to provide your address while in the United

States after your cruise.

Depending on the area of the world visited, vaccination/immunization requirements vary considerably and are subject to change at any time. We suggest that guests traveling outside of their country of residence consider being immunized against Hepatitis A, Typhoid, Polio, Diphtheria, Tetanus, and COVID-19. An international certificate, approved by the World Health Organization, is the best medium for verification that inoculations and vaccinations have been satisfactorily performed and is accepted by health officials at all ports of call. We strongly recommend that all guests contact their personal physician, the Department of Public Health, or the Centers for Disease Control to obtain expert medical immunization recommendations for their intended itinerary and travel plans and to specifically address Malaria and Yellow Fever requirements in time to receive any necessary vaccinations/immunizations. Any Malaria prophylaxis medication recommended must be obtained prior to joining the vessel.
